django girls

Free Python and Django workshop for women in Brno, February 2015

About

Django Girls is an initiative that is aiming to introduce 30 women who've never coded before to the world of technology and increase the diversity. Right before DevConf.cz 2015 in Brno, we're going to organize an one-day workshop and invite girls from all over Europe to join us and learn how to build the internet using HTML, CSS, Python and Django.

Target

30 women who never programmed before but are motivated to get into field, and who would share their experience with others

Date & place

Full day, 5 February 2015 Brno University of Technology, Faculty of Information Technology (hosted in the Red Hat office at the university)
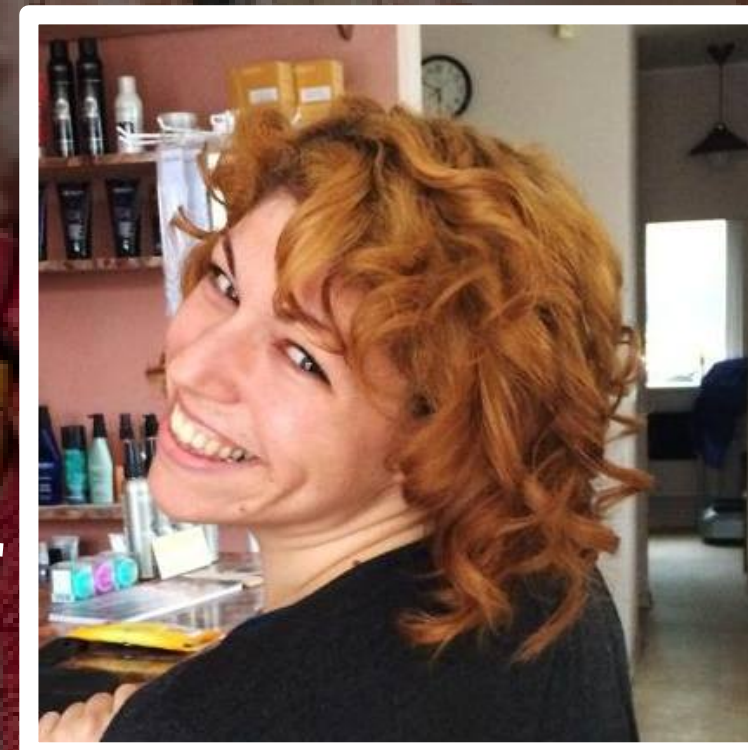

Supporters

We have already partnered with 10 awesome coaches, DevConf.cz, and Red Hat Czech!
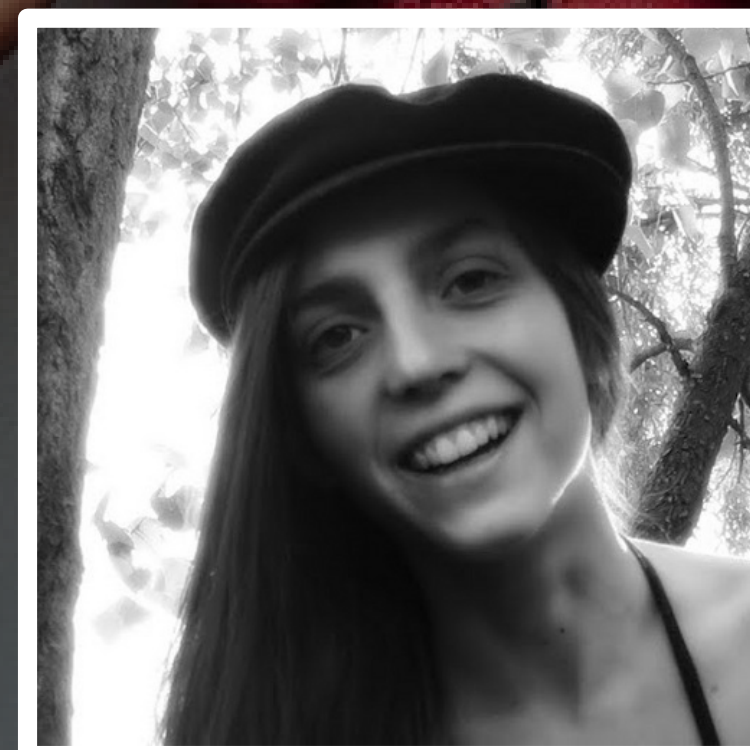

Team

Django Girls is organized by Mikey Ariel and Lenka Moutelíková from Brno. Mikey and Lenka both graduated from the first Django Girl workshop at EuroPython 2014, and they are excited about sharing what they learned and giving other women the same opportunity that they were given!
